How Interlibrary Loan Service can collaborate with other Library and University Services

Isàvena Opisso Atienza

Liège, may 30th 2022

Servei de Biblioteques UAB

UAB Universitat Autònoma de Barcelona

Introduction

- ❑Improvement actions. Constant renewal

- ❑ Wiki

- ❑ ISO 9001:2015 Quality management system

- ❑ Collaboration with other departments in the library and university

Best practices

Analysis of Interlibrary Loan request

Uploading of public domain documents in the repository

Digitization of PhD theses

Analysis of Interlibrary Loan request

- Collection Management Plan

- ILL = Documents not available in the UAB library collection

- Analysis of a large number of ILL request

- Detect duplicates

Uploading of public domain documents in the repository

ddd.uab.cat

Digitization of PhD

Difficulty to access hard-copy PhD theses

Facilitate the incorporation of doctoral theses into the institutional repository

Thank you!
